

Magnetic Lock

Brand – Secuview

Model No – SV-18MS

Important Note

1. Handle the equipment with care, damaging the mating surfaces of the magnet or armature plate may reduce locking efficiency.
2. The magnet mounts rigidly to the door frame, the armature plate mounts to the door hardware. Kit provided that's allows it to pivot about its centre to compensate for door wear and misalignment.
3. Before installing, please add thread locker to all screws. Firmly tighten screws to avoid fastening loosen.
