

## SV-A260D

**SV-A260D** is a 60W Mix amplifier. Its contain features are USB input, Bluetooth connectivity and mic input. In addition, two terminal output with each 30W power.

Specification	
Line input sensitivity	310mV
Mic input sensitivity	10mV
Frequency response	20Hz-20Khz +-3db
Noise	2mV
Distortion	0<1%
Rated voltage	20V DC
Rated output power	2X30W
Maximum power consumption	90W
Net weight	1.5Kg
Dimension	180 X 163 X 55mm
