

Model Number:

SV-XGR1000

Specification

Name	10/100/1000Mbps PoE Extender
Whole Power Budget	30W
Extend distance	100Meters at 1000Mbps
Standard	IEEE802.3af/at
Input voltage	44-55V/0.5A
Output Voltage	44-55V/0.5A
Weatherproof	IP65 Weatherproof
Transmission rate	10/100/1000Mbps
Transmission Medium	Use Cat 5 or better unshielded network cable
Transmission distance	100 meters for the front end, and 100 meters for the back end
Size	150mm / 20mm
